

## Hadleigh Community Choir – COVID statement

The Committee of Hadleigh Community Choir promises to do everything possible to ensure that rehearsals can take place in a safe environment.

To that end we have produced a COVID Risk Assessment. Please read this carefully. We will be covering the major points at every rehearsal until it is no longer necessary to do so.

You have a responsibility to ensure that you fully adhere to the Risk Assessment. In particular, if you are feeling unwell we would ask you not to attend that week's rehearsal and, most importantly, to let the Committee know by emailing [contact-us@hadleighcommunitychoir.org.uk](mailto:contact-us@hadleighcommunitychoir.org.uk) or by passing a message via another choir member.

The Committee have decided that, in order to keep the whole choir as safe as possible, you will only be able to attend rehearsals if you are either fully vaccinated or you are medically exempt from vaccination. To that end, can you please sign the statement below.

I confirm that I am either fully vaccinated or unable to be vaccinated due to medical exemptions.

As things change over the next weeks and months we will be keeping you all informed. If you have any questions please contact a member of the Committee.
